

Hands-on Computer Workshops

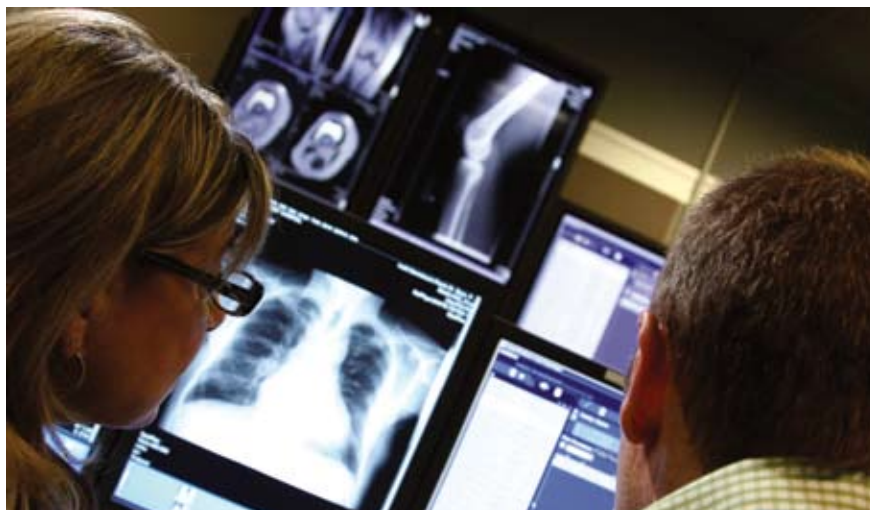

Hands-on Computer Workshops: Basic Training for Radiologists and Healthcare Professionals

From Sunday, November 30 through Thursday, December 4, commercial vendors will conduct classes on their respective proprietary computer systems.

These workshops give attendees the opportunity to learn from experts about using computers in the field of radiology. Gain practical, first-hand knowledge with:

- State-of-the-art computer equipment
- Radiology information systems (RIS)
- Picture archiving and communication systems (PACS)
- Integration of computers into radiology practice
- New techniques used in computer-aided diagnosis

Please note: AMA PRA Category 1 Credit is not available for these workshops.

The workshop schedule for 2008 is in development. Companies that participated in 2007 included:

- Agfa Healthcare
- Apple Computer
- Barco
- Confirma
- GE Healthcare
- Philips
- Siemens
- U-Systems

Advance online registration is required for these workshops. For the latest scheduling and registration information, go to RSNA2008.RSNA.org.

New for 2008

Hands-on Computer Workshops will be located in Hall A, South Building. Hours of Operation: 10:00 AM – 6:00 PM Sunday, November 30 – Wednesday, December 3 and 10:00 AM – 2:00 PM Thursday, December 4.
